

ROLL CALL

HONORING THOSE WHO "SERVE AND PROTECT"

Blue Chevaliers seemed to be on many minds during nationale at Gettysburg. I was frequently asked about our status since it was approved on the floor two years ago. We have made every effort and responded to all requests from those committees that required information from us - seems we still have a way to go. But do not lose heart - the existing Blue Chevalier project committee is looking at our "program" as a whole and soon decisions will be made as to our future and who leads it. Personally, many thanks to those that stopped by our table and renewed - or joined, including several PUFL. Once rosters and deposits are made - we will get cards out as soon as possible. The minutes of the Public Relations Committee will be in the October issue of the PALS Bulletin. However, for our Blue Chevalier membership - let me give a full disclosure summary here. All quarterly and annual financial reports were submitted to Commissaire Intendant Nationale and reviewed with the Financial Committee – including all bank statements and check register. Summary:

Blue Chevalier available balance as of 9/13/24
 P.A.L.S. Account - **\$7,809.61**
 Blue Chevalier total income 9/13/24 to
 9/1/25 - **\$1,239.00**
 Blue Chevalier total expenditures 9/13/24 to
 9/1/25 - **\$394.00**
 Total available balance as of 9/1/25 -
\$8,653.62
 Debit \$2,000.00 LOY 9/18/25 remaining
 balance - **\$6,653.62**

Credit **\$3,001.85** Cearlock Jackson, TN Acct
 total balance - **\$9,655.47**

Total value of all merchandise on hand (Cards, coins, patches, decals, hats, pens, etc.) - Total value of inventory for sale = \$2,695.00. Value of pins for new members = \$4,950.00. **Total value all merchandise on hand = \$10,340.00**

Comments on our membership - From day of creation to today, we have 356 members and 129 PUFLs. I was very surprised when a member came up to our table and felt that as a "charter member", they were grandfathered in some kind of way and did not have to pay any future dues. This is totally wrong, we have many charter members who have not renewed, some since 2021, many from 2022. So, is 356 an accurate number of our active membership - it is not. renewals are only \$5.00 for a single year and ten years for \$45.00. Our PUFL program is only \$75.00. If you joined and still believe in what we do for local law enforcement - it is imperative that we get all dues caught up. If you do not know your status, look at your card or send me an email at rennykeagle@gmail.com. Phone is 915-346-6099. If you are a charter member, you can still keep your card that says "charter member" on it, but we will send you a new card with the most recent year you have paid your dues. If you are behind, you can catch up for \$5.00 a year.

It was a great pleasure for me to present the Nationale Law Officer of the Year and family their \$2,000.00 check during the General's

Club Luncheon. His name is Detective Paul Shaughnessy of the Concord Police Department, Grande du New Hampshire.

The presentation was well received and when I presented the check to the wife, which is customary, the baby tried to grab it - so cute. The officer genuinely had no idea and was kind of shocked. We must keep up membership and merchandise sales to keep up this grant every year.

So, in ending, some good, some not so good at Nationale - but we remain steadfast with our commitment to the Blue Chevaliers and the recognition of our local law enforcement.

Again, the unanimous approval of the Delegates to the Promenade Nationale has gone unheeded. The Blue Chevaliers remains a PROJECT.

Our Law Enforcement Personnel and Agencies remain under constant danger with even \$10,000 rewards being offered for their murders.

If there was ever a time for our support it is now! Illigitimus non carborundum est!
